8 **SECTION TWO.** Enacted in lieu is the following provision:

15 **SECTION THREE.** Severability Clause. The sections, subsections and clauses of this
16 ordinance shall be severable. In the event that any section, subsection or clause of this
17 ordinance is found by a court of competent jurisdiction to be invalid, the remaining
18 sections, subsection, or clauses of this ordinance are valid, unless the court finds the valid
19 sections of the ordinance are so essential and inseparably connected with and dependent
20 upon the void section that it cannot be presumed that this Board of Alderman would have
21 enacted the valid section without the void ones, or unless the court finds that the valid
22 sections standing alone are incomplete and incapable of being executed in accordance
23 with the legislative intent.
